

P&DARCS Christmas Party Registration

Dear Members,

Registrations are open for our **2025 Christmas Party**, to be held at the field on **Saturday, December 13th**. Lunch will be provided from around **12:30 pm**, and members are encouraged to bring some models for a relaxed morning of flying before lunch is served.

During the day, we will be conducting a special event in honour of Wally Schubach and awarding a suitable memorial trophy.

This will be an event that requires an estimated time of flight of five minutes without any outside assistance. Members may have up to 2 attempts depending on the number of entrants.

To assist with catering, all members are required to register their attendance via this link on our webpage. Your registration ensures we can plan food and seating appropriately.

In addition, this year we will be giving away a **new Seagull Models Maxi Lift 35cc ARF**, generously donated by club member **Ian Slack**. All members who pre-register for the event will automatically receive **two free entries into the draw**.

NOTAM #2025-10

Issued August 27th 2025

Please note, the cut off for registration will be Thursday, December 11th at 5pm.
