

P&DARCS

Pakenham and District Aircraft Radio Control Society

Pakenham & District Aircraft Radio Control Society (P&DARCS)

WiFi Use Policy

Approved by Committee:

1. Purpose

The purpose of this policy is to outline the conditions of use for WiFi provided at P&DARCS facilities. WiFi is provided to support the activities of the Club, Special Interest Groups (SIGs), and other formally recognised groups. It is **not intended for club members or general public use**.

2. Scope

This policy applies to:

- P&DARCS Committee members
- Special Interest Groups (SIGs)
- Other formally recognised interest groups approved by the Committee

3. General Access

- WiFi access at P&DARCS is restricted and **not available for public use**.
- Committee members may access WiFi for club administration purposes.

4. Event & Group Access

- SIGs and other formally recognised groups may request temporary WiFi access for the duration of a **day or weekend event**.
- All requests must be made to the **via the P&DARCS Secretary** for distribution as required.
- If the request is approved, the group will be provided with a temporary password, valid only for the duration of their event.

5. Responsibilities of Users

- WiFi access is to be used solely for activities relevant to the approved event or group purpose.
- Passwords must not be shared outside of the approved group.
- Misuse of WiFi, including unauthorised sharing of passwords or inappropriate internet use, may result in access being revoked.

6. Administration

- The IT Manager is responsible for assessing and managing access requests and will report activity to the Committee as required.
- The Committee reserves the right to amend or revoke this policy, change access procedures, or withdraw WiFi availability at its discretion.

7. Review

This policy will be reviewed by the Committee every **two (2) years** or earlier if required.
