## NOTICE OF FULL-SIZE AIRCRAFT OPERATIONS

- All P&DARCS members are advised that full-size helicopter operations, possibly at low level and in close proximity to our field are scheduled for this Friday, June 16<sup>th</sup>.
- Members who are present are reminded to utilise the field alarm to warn of aircraft in close proximity.
- All members flying are reminded of the points outlined in our CASA Area Approval. Models are not to be operated as follows:
  - (a) More than 1000 metres laterally, measured from the Model aircraft operator.
  - (b) Over major roads, persons, or populous areas.
  - (c) Into cloud or fog.
  - (d) Above 1500 FT AGL.
  - (e) For model aircraft operations above 400 FT AGL, a dedicated person must be appointed to maintain visual lookout for manned aircraft (ie, a spotter).
  - (f) If a manned aircraft is transiting the area or operating within the vicinity of the site, the spotter must advise the operator of the model aircraft to operate below 400 FT AGL or land the model as soon as possible.

If you have any questions, please feel free to contact me.
